

Application Instructions and Guidelines

Program is offered from June 1, 2021 to May 31, 2026, or until funds are exhausted.
Incentive values and measures may be modified or terminated at any time without prior notice.

Follow This Easy Process

STEP 1

Verify Your Eligibility

- Applicant must verify that they are a business customer of PECO (commercial, industrial, governmental, institutional and non-profit).
- Project must include a facility improvement that results in an upgrade to electric energy efficiency (kWh) and/or a permanent reduction in electric energy usage.
- All equipment must be installed in facilities served by PECO, with a valid PECO account number on an eligible PECO non-residential rate.
- See this link for the Resources Page: tinyurl.com/pecowaystosave

STEP 2

Submit Your Application to Reserve Funds

There are several ways to do this.

Submit application online at: [PECO Ways To Save Online Application](#)

Email completed application to: pecowaystosave@dnv.com

Mail completed application to:
PECO Energy Efficiency Solutions for Your Business,
4377 County Line Road,
Chalfont, PA 18914

Fax completed application to:
1-215-996-3982

- Incentive funds will be reserved when your application is approved.
- Complete the Project Scope pages in this application for each measure that you are installing.
- For some projects, a pre-installation inspection will be required. Most projects require documentation of the equipment being replaced.
- Incentive funds are reserved for 90 days. Contact the PECO Energy Efficiency Solutions for Your Business team for specific questions regarding funding reservations and extensions.

STEP 3

Install Equipment or Perform Project Work

- The equipment installed must meet or exceed the specifications and requirements found in the measures tables and detailed in the Application Manual. Equipment must be installed within the program period.

STEP 4

Submit Final Application

- Submit a Final Application within 180 days of project completion, but no later than May 15, 2026. The Final Application is included as a page in this form. Include the following documentation with your Final Application: Customer/contractor information, a signed Final Application, itemized invoices, W9, specifications and an updated scope of work. All projects that include lighting will require a completed TRM Lighting Worksheet, which can be found at: [TRM Lighting Worksheet](#)
- The program team will review your Final Application. For some projects, a final inspection will be part of the final review.
- The program team will send incentive checks four to six weeks after your Final Application is approved.
