

APS Multifamily Energy Efficiency Program Quick Look

Keeping residents happy supports your business. We're here to help you improve energy use in residential homes and reduce operational costs in common areas.

With our easy-to-use tools, managing your accounts and saving energy is simple. Explore these resources for your community.

Options to manage your account

Online Account Dashboard

- Access your account dashboard 24/7 at aps.com/myaccount.
- Get a snapshot of your energy usage.
- See your estimated charges to date.

Alerts & Notifications

- Get billing & payment or energy usage alerts.
- If your contact information on aps.com is current, you'll be automatically enrolled in outage alerts.

Mobile App

- Pay your bill on the go, monitor your usage and view or report outages.
- Download the [mobile app](#).

Options to manage your energy costs

Billing & Payment Options

- Never miss a payment with AutoPay and have a more predictable bill with Budget Billing.
- Choose a bill due date that works best for you with Preferred Due Date.
- Find options at aps.com/bizbillingoptions.

No- and Low-Cost Energy-Saving Tips

- Visit aps.com/biztips for tips you can start using today.

Smart Thermostat Rebates for Residential Homes

- Earn up to \$126 in smart thermostat rebates for each eligible residence.

Common Area Rebates

- See list of common area retrofit rebates on back page.

Multifamily Common Area Rebates

LIGHTING EQUIPMENT	
Delamping T8: 2-ft, 3-ft	\$2.50/lamp
Delamping T8: 4-ft, 8-ft	\$5/lamp
Interior high bay to LED ≤100W	\$20/fixture
Interior high bay to LED > 100W, <200W	\$25/fixture
Interior high bay to LED ≥ 200W	\$45/fixture
LED MR-16	\$6/lamp
Linear LED: 2-ft, 3-ft, 4-ft, 8-ft	\$3/lamp
Outdoor LED ≤ 50W	\$20/fixture
Outdoor LED > 50W, < 300W	\$35/fixture
Outdoor LED ≥ 300W	\$50/fixture

HVAC EQUIPMENT		
Standard HVAC packaged/split AC & HP	Tier 1	Tier 2 / bonus efficiency
Unitary AC < 760 kBtu/h	\$4/kBtu/h	\$7/kBtu/h
Unitary HP < 65 kBtu/h	\$4/kBtu/h	\$7/kBtu/h
Unitary HP > 65 kBtu/h < 760 kBtu/h	\$4/kBtu/h	N/A
Units ≥ 760 kBtu/h	Custom rebate	
PTAC & PTHP	\$24/ton	\$10/ton
Chillers	Rebate	Bonus efficiency
Air-cooled chiller 149 tons or less	\$5.25/ton	See application
Air-cooled chiller 150 tons or more	\$7.50/ton	
Water-cooled chiller 299 tons or less	\$5.25/ton	
Water-cooled chiller 300 tons or more	\$7.50/ton	

ENERGY MANAGEMENT SYSTEMS		
	Tier 1	Tier 2
Replacing pneumatic/non-programmable thermostat	\$0.20/sq ft	\$0.30/sq ft
Replacing digital EMS/programmable thermostat	\$0.10/sq ft	\$0.20/sq ft
Lighting EMS	\$0.10/sq ft	NA

COMPRESSED AIR	
Additional receiver for compressed air	\$20/hp
Zero loss condensate drain	\$230/drain

CONTROL MEASURES	
CPM software	\$8/computer
CO2 sensor	\$200/sensor
Demand response lighting control	\$0.20/sq ft
Programmable thermostat	\$20/thermostat
Smart thermostat	\$60/thermostat
Networked thermostat	\$195/thermostat
Occupancy sensor	\$20/sensor

VARIABLE SPEED DRIVES	
Air compressor	\$70/hp
Blower	\$70/hp
Chilled water pump	\$70/hp
Chiller compressor	\$35/hp
Condenser water pump	\$40/hp
Cooling tower fan	\$35/hp
Domestic water pump	\$50/hp
HVAC fan	\$70/hp
Pool pump	\$70/hp
Process motor	\$35/hp
Refrigeration compressor	\$50/hp
Refrigeration fan	\$70/hp
Other	\$50/hp

REFRIGERATION EQUIPMENT	
Anti-sweat heater control	\$12/linear ft
Automatic door closer	\$120/door
Beverage machine controller	\$100/unit
Efficient compressor	\$60/ton
Efficient condenser	\$20/ton
Evaporator EC fan motor	\$100/motor
Floating-head pressure control	\$20/ton
Reach-in cooler control	\$100/unit
Refrigerated case LED	\$25/lamp
Refrigerated case LED with motion sensor	\$30/lamp
Snack machine controller	\$50/unit

MISCELLANEOUS	
Thermal energy storage refrigerated/freezer space	\$350/ton
Shade screen	\$0.50/sq ft
Ultrasonic humidification	\$450/kW
